Office of the R.L.A.

There is no objection to issue the proposed consolidated notification at pages 41-53 under section 3 of the Cotton Transport Act, 1923 (III of 1923) in respect of areas notified thereunder from time to time, but in doing so, it will be necessary to supersede the existing notifications concerning them. The draft notification at pages 41-53 ante has been amended accordingly. The Reconstruction Department is requested to verify whether all the principal existing notifications have been referred to therein, and whether the protected areas specified in Schedule I, the railway stations specified in Schedule II and the railway stations and areas mentioned in Schedule III have been properly described. The Reconstruction Department is also requested to mention the Railways and the Branches, if any, in paragraphs I and III, IV and VIII in Schedule II and in Schedule III of the draft notification at pages 41-53 ante before it is issued. The attention of the Reconstruction Department is invited to the provisions of section 8 of the said Cotton Transport Act, 1923, under which it will be necessary to place the draft notification before the Bombay Legislative Assembly and the Bombay Legislative Council and then to issue it in the form in which it may be approved by these two Chambers.
